Christian Aid Week

A fantastic total of £941 was raised for Christian Aid. Thankyou to
everyone from this very generous village who contributed. My thanks
go also to the people who gave their time to collect in the envelopes.

This is not always an easy task.

The money raised for Christian Aid is spent wisely to support projects
where it is most needed in the world. Maybe next year we can crack the
£1,000 total?

The Benefice of the East Vale and Avon Villages

Now that summer is here and our schools look forward to the holidays, I thought it would be good to reflect back over the past year and look at what is happening for children and young people in our churches.

One thing that has been very successful over the past year is an initiative called Open the Book. This is a nation-wide project to take Bible stories into school where children can participate in acting out the story by dressing up and taking on some of the character roles. We have volunteer teams from across the Benefice who go into the First Schools and it continues to be very popular with the children and the volunteers.

Fr. Timothy is also leading a new project at Blackminster Middle School. It's a weekly lunch club for the children to relax, do some activities and chat about things important to them. And on Monday mornings there is a new project called 'Drop In' at Badsey church, where parents can meet for a free cup of coffee after dropping children off at school. It is especially designed for parents with pre-school children in tow, but everyone is welcome to come and share some down-time and meet new people.

It's really good to have so many activities taking place and we're very lucky to have so many volunteers helping with these and other projects across the Benefice. The summer holidays will provide a welcome break, but we'll be ready for when September comes and everything gets going again!

NEWS FROM THE SCHOOL

Where is summer? We have had more wet play times this term than all of last year, well at least it seems like it!

We have survived our first ever Yr 6 SAT tests and eagerly await the results later this term.

Arrangements are well under way to prepare the children for their next phase in education. We have pupils going to Blackminster and Bredon Hill Middle Schools and of course those who are at Little Chestnuts who will be joining us in reception in September.

On 9 July, Class 1 (our own Super heroes) will be going to Badsey First School for an Early Years Music Festival which promises to be a morning of great fun.

Our KS2 production this year is 'Gold' the story of King Midas and rehearsals are progressing well. The performances will be on Wednesday 10 July at 6.00pm and Thursday 11 July at 13.30pm and 6.00pm. You are all most welcome to come and watch.

Our annual school barbecue is on Friday 12 July, we would love to see you all there. The children (and parents too if they wish) will be doing a sponsored run around the field. All funds raised will go to the PTFA and used to support the school in a variety of ways.

We have vacancies in all sessions in Little Chestnuts for little ones aged 2 to 5 starting in September. Booking forms can be obtained from the school office. Government funded places are available with our qualified, dedicated and experienced staff in our small family orientated preschool.

Many thanks for all of your kind donations to school for Rags2Riches. We managed to raise a staggering £145.30 which has been our highest figure so far!

Class One are in the process of revamping their outdoor learning environment. We would be very grateful if anyone would be able to help us in sourcing the following items, preferably at little or no cost please: logs, log slices, used tyres, cable drums, decking planks and plastic crates

Many thanks.

Alf Plummer, 16 July 1932 – 5 May 2019

Alf started life at Tower Hill in Bidford and, after marrying Mary in St. Andrew's, lived with her in their house on the edge of the village for over 60 years. He was a keen gardener, growing fruit and vegetables there, and also a wonderful cook. He and Mary were devout members of the congregation of St. Andrew's, walking to church along the ancient footpath opposite their house. He proudly gave his daughter Julie away there when she married Euan.

He was involved in many village activities, from running whist drives and raffles, supporting the local Ricsue charity and the Air Ambulance, and playing a major part in the Silver Jubilee celebrations. He ran the Youth Club in the Hall in the late 50s, and also ran the local football team. He was a mainstay of the Memorial Village Hall and set up the Seniors' Lunch which continues to this day. He enjoyed his last one in December 2018.

He was a major figure in the village during his younger years and will be missed by all who knew him. Our thoughts are with Mary, Julie, Euan and Gemma.

Thankyou

I send my heartfelt thanks to all the friends and neighbours who have sent me their best wishes, cards, flowers and offers of help to see me through this difficult time.

I really do appreciate the Cleeve Prior caring community who go out of their way to help and support those who need it.

Thank you very much.

Cleeve Prior Heritage Trust

News from Field Barn, July 2019

Coming Up – Dates for your diary!

Saturday 24 August - The Plum Pick

Saturday 24 August –Live Music and BBQ at the Memorial Hall - more details next month.

Visit from Pebworth First School

Thirteen key stage 2 children came for their second visit to Field Barn, accompanied by their class teacher and Forest School Leader. Their first visit was back in November when the trees were dormant and the sky was blue. Sadly this time the heavens opened and despite waterproofs the children did get a little damp. However observations of their trees in a different season were made and captured on camera and the name plaques for trees completed back under cover. The children also observed the wild flowers and took a small posy back to school to observe under the microscope, identifying the various parts and even finding a greenfly on a dog rose – much to their delight! We hope to welcome them back in the Autumn for Apple Pressing.

Volunteers from NFU Mutual

Volunteers from the NFU Mutual, based at the Headquarters in Tiddington, came for the day on the 25 June, to help with a wide range of tasks. These team building days are highly valued by the Volunteers. One expressed absolute delight at having a go at tree planting – a first for them, on a previous visit. We hope that volunteers will return and bring their families to see what they have achieved and experience the lovely natural environment in which they have worked. The next Volunteer day is planned for 16 July and there is always plenty for them to do. It is a highly valued partnership for the Heritage Trust and the NFU Mutual who give us lots of support.

From the Orchard

Plum set has been poor due to a late frost but as always fruit crops are dependent on a large number of factors. Apples meanwhile have a good set. The orchards will be left unmown, apart from a few paths, to encourage wild flowers and insect habitat.

Field Barn For Hire

Residents are able to hire the Field Barn Complex for family events, subject to agreement by the Trustees. If you are interested in holding an event please contact Philip Garnett Clarke on 773287. Charges are broadly aligned to those of the Memorial Hall.

Volunteers

If you are new to the village or newly retired please do consider coming up to Field Barn on a Tuesday morning to help. Lots of fresh air and laughter promised. We look after 27 acres and there is always plenty to do. Why not come and give it a try?

Thanks to everyone who supported the Craft Fair and Dog Show. The weather was lovely and a good time was had by all who came along. Thank you to all the Volunteers who make these events possible and make such a positive contribution to maintaining and developing Field Barn and its Orchards. I am sure those of you who attended this last event would have noticed the greatly improved walled garden.

Brian Taylor, Chair of Trustees

Women's Fellowship

Our June meeting was our Cream Tea, hosted this year by Barbara. A very pleasant afternoon with scones, jam and clotted cream, also strawberries and cake; a most relaxing time.

CLEEVE PRIOR GARDEN CLUB

4 July

Visit to Bourton House Garden

Bourton on the Hill, 2-5pm

An award winning 3-acre garden, surrounding an 18th century Manor House and listed 16th century Tithe barn. Featuring magnificent wide herbaceous borders, with stunning plant and colour combinations, imaginative topiary and a knot garden. £6 members, £8 non-members.

Andrew Mikolajski entertained us well with his presentation of "Pin me to the wall and do what you want with me". We were given interesting information on supports for climbers, resulting in Andrew's recommendation for Pig Wire as the all-round best support. Out of all suggested climbers with their most favoured situations, the favourite was Rosa "Warm Sunshine", a dainty miniature climber with clusters of vermillion orange flowers with a very long flowering season as late as November.

10 August is our Garden Club trip to Highgrove Gardens. Details will follow to all ticket holders.

Volunteers are required to help with watering the containers on the Village Green. Please email any availability to me.

We have no meetings in the village hall in July/August and wish everyone a Happy Gardening Summer. Our next meeting will be on 4 September and will feature Ross Barbour, "Flummoxed by Ferns"

Jan Stewart

Cleeve Prior Golf Society

Meeting at Puckrup Golf Club, 31 May

Fourteen golfers arrived on a bright day to bacon baps and coffee, and enjoyed playing a *Bowmaker* competition comprising teams of three where only the best score counts on the first six holes, the two best on the next six holes and all three on the last six.

The eventual winners were Captain John Vernon supported by Rob Forster and Malcolm Mawer, with Vice-Captain Peter Wilson supported by Paul Stewart and Matt Langmead finishing a close second. A special award was made to Keith Richards for sinking the longest put.

The course was in good condition but some of the players felt a bucket and spade would have been more appropriate than clubs on occasions because of the large number of bunkers!

The turnout was somewhat disappointing and we hope to see a better response to our next meeting at Stratford Oaks followed by a BBQ at the Heritage Trust on 28 June.

The Jackson Trophy, 19 June

In memory of her late husband John, who was Captain in 2001, Daphne Jackson donated a trophy to be competed for annually by all the Past Captains of the Society.

This year eleven of us played a Stableford competition over nine holes on The Lenches Course at The Vale in favourable weather and the scores were very close, with the ultimate winner being Ron Taylor with 18 points. Ron was Captain in 2003 but left the Village four years ago to relocate in Devon but has returned on each occasion we have played and has promised to return again next year to defend The Trophy .

Following the golf we all enjoyed an excellent meal in the newly refurbished Restaurant in The Vale Clubhouse and Daphne joined us and enthusiastically presented the Trophy to Ron.

Vic Birnie, ex Captain and Hon Sec.

17 July: Need a Good Holiday Read?

Our next meeting will be on 17 July at Willow Barn, 8 – 10 pm

Bring along a recent read and tell us why it makes a good holiday book. Exchange it for another good read. Please let Evelyn Wilson know whether or not you plan to come along, tel: 01789 772814.

Our Garden Visit to Admington Hall on 19 June was an absolute delight. See what Carol and Tony Bourne had to say.

“Admington Hall is a local Grade 2 listed Jacobean country house near Ilmington, nestled in 10 acres of mature gardens. A group of 14 of us, including a good sprinkling of NWR husbands, met for a private visit organised by Gina Carr, to explore the grounds on a cloudy but, much to our relief, dry afternoon.

Following an introductory brief history of the gardens by the head gardener Paul, we were allowed free access to roam wherever we wished, so proceeding through the immaculate stable yard, I started by exploring the walled vegetable garden which also incorporated the newly created gravel garden with swathes of attractive ornamental grasses. It was immediately obvious there was nothing commonplace even here, with well-tended avenues of pleached hornbeam, beds separated by neat yew hedges, and basic practical garden structures were ornamented and artistic, a theme which was continued throughout the gardens. The formal herbaceous borders in the pool garden were striking against a repeated backdrop of roses, philadelphus and kolkwitzia shrubs, all in full flower, but even this couldn't match the breathtaking vista as we emerged to the front of the house, with amazing views across the immaculate lawns towards the Cotswold Hills and Hidcote. On either side of the house were mature specimen trees including ancient Cedar of Lebanon, and the planting became noticeably more natural, particularly in the water garden along the stream which flowed from the lake. Returning towards the back of the house through the recently planted wildflower meadows, which at this time of year were dominated by oxeye daisies and yellow rattle, we came to the attractive courtyard garden abutting the oldest part of the house which dates from 1548.

I was surprised that an hour and a half had gone so quickly, so we rapidly made our way to the terrace for tea and cake, only to find everyone else already enjoying it. The owner, Antonia Davies, talked to us about the history

of the house, (including ghosts), and Paul answered horticultural questions to conclude what had been an interesting and entertaining afternoon.

Admington Hall is open to the public under the National Open Garden scheme and to private visits for groups. It is well worth a visit.”

Carol Bourne (with horticultural advice from Tony)

The National Women’s Register is a friendly group which meets every 3rd Wednesday for lively discussion and a variety of different types of activities.

Coming up in August: Garden Games! If you would like to know more about your local NWR group get in touch and come and give it a try!
