## The Benefice of the East Vale and Avon Villages

**December:** As I write this reflection for this month's magazine, our country is back in lock-down and there is a lot of uncertainty about how long it will last and whether things will still be this way by Christmas. There is also considerable hope that if we can manage to get infections rates back under control, restrictions might be eased a bit and we can see family members and friends again. I certainly hope this will be the case – my wife and I have a newborn baby, called Ingrid, and we are hoping she will be able to see her grandparents at Christmas.

But whatever happens in the next few weeks, Christmas is not going to be the same this year. By this time of the year I am usually looking forward to one of my favourite services of the year – Christmas Carol services! Singing favourite carols with a glass of mulled wine and a mince pie is one of the best bits of my job, but this year the restrictions on numbers able to attend a church service (and the ban on singing) means that carol services are not possible. But the church is still here, and we are still making sure that Christmas is celebrated! We're hoping that church buildings and churchyards can be open and decorated to tell the Christmas story in new ways, so keep an eye open for more details. On 6 December, the Tree of Light in Offenham will be lit up as a way of remembering those who we cannot be with at Christmas. This prayer might be useful to those who are remembering a loved one:

Father,  
you know our hearts and share our sorrows.  
We are hurt by our parting from those whom we loved:  
when we are angry at the loss we have sustained,  
when we long for words of comfort,  
yet find them hard to hear,  
turn our grief to truer living,  
our affliction to firmer hope  
in Jesus Christ our Lord.  
Amen.

Finally, Ruth and I would like to thank everyone for their good wishes on the arrival of Ingrid, especially following the loss of our first baby, Dorothea, last year. Everyone has been very kind and supportive, reflecting the wonderful community to which we belong. As we prepare to celebrate the birth of Jesus at Christmas, I hope our community spirit remains as strong as ever, especially after what has been such a difficult year for everyone. Christmas truly represents a new beginning, and I pray that God's blessing will be upon us all as we head towards a new year.

*Rev. Philip Morton*

*Happy Christmas from Ingrid*

## Services at St Andrew's for December and January

On the assumption that any restrictions on services and meetings will be similar to those prior to the current lockdown, due to end on 2 December, the following services have been arranged.

24 Dec 11.00pm Midnight Mass, Revd Timothy Hupfield.

As we try to keep within the guidelines we will be adhering to the rules on social distancing, which means that seating will be limited to 20 maximum, so be sure to arrive early.

## **The Church Clock restoration appeal**

The generosity of the village is incredible! Following the launch of the appeal many donations have been received and I am pleased to reveal that our target is within sight. We are already in consultation with the clock engineers and we hope to be able to let the village know when the work may be done.

In the meantime, if you wish to make a contribution cheques may be made payable to “The PCC of Cleeve Prior” and sent to

“Arnwood”, Mill Lane, Cleeve Prior or, if you require further information, you can phone me on 01789 773357.

Again, many thanks.

## **Churchyard roses**

The roses have been ordered and should arrive in December. We will need help to plant them. If anyone feels able to help with the preparation and planting please could you phone or email.

We do appreciate the response to this project which can be a positive outcome of these challenging times.

Any extra help will be invaluable, Thank you.

A plan must be submitted by the end of December or the funding will be revoked. WDC has tentatively approved the funds for this purpose subject to consulting the parish. Parishioners are encouraged to email the Clerk with your thoughts on the matter.**

Due to flood damage the Parish Wharf facilities such as the steps to the river and the seat are dangerous. Please avoid using these parts of the Wharf and any other sections deemed unsafe as determined by personal inspection.

## **Parish Council in December**

Dear all,

This year has proved to be a challenge for us all in so many different ways and I wish to take this opportunity to thank those parishioners who have contributed to alleviating the problems posed by restrictions on activity and movement.

Top of my list are Susan Robinson and Iain MacDonald who established our Parish Support Group and managed the process throughout the year. My appreciation is of course extended to all the volunteers who worked with them. It is a testimony to their work that so many needs have been managed smoothly into the current new phase of lockdown. Well done!

The Parish Council has had to adapt to holding its meetings via the internet and whilst the technology has proved itself satisfactorily, the on-line meetings leave a lot to be desired against meeting people face to face. So, I would like to thank the Councillors for their forbearance as well as our Parish Clerk, Sean Arble, for keeping things ticking over this year.

You may know that South Worcestershire is in the process of revising their 5 year 'Development Plan' (SWDP). This activity prompts us to look at our own Neighbourhood Plan with a view to updating it to reflect evolving policies and circumstances since its creation in 2016. Hopefully this will involve relatively minor changes and additions and if any parishioners would like to be involved you would be welcome. Please contact the Clerk if you are interested.

I view the coming year with some optimism that our lives will return to a version of normality with a gradual resumption of the many, sorely missed, social activities that help make this village such a pleasant place to live.

# NEWS FROM THE SCHOOL

Dear Villagers,

Despite the national lockdown, we have had a very busy month at Cleeve Prior Primary School. On Wednesday 11 November, the children and staff took part in a special act of worship for Remembrance Day. We all watched the live stream from London and joined in the national two minutes of silence. The children had made poppies in class to wear and Class 3 had written a special prayer for the event which was read at the end of the special worship on the day. It was lovely to see the children recognize the significance of this time and develop their awareness of why we need to mark this day each year.

Friday 13 November was Children in Need day and it was great to see so many children dressed up in our Freaky Friday theme. I am pleased to say that altogether we raised £60.45 toward this very worthwhile cause that works so hard to improve the lives of children in the UK and overseas. The children and staff certainly threw themselves into the spirit of the day.

As we approach Christmas, we are preparing our production which this year is going to be on video rather than presented live. This has been another interesting challenge, on top of all the others that we have had to face this year, but I am pleased to say that the end result should be worth all the effort. Unfortunately, for safeguarding reasons, this will only be available to parents of children at the school.

Finally, as this is the last newsletter of the year, may I wish you all an enjoyable Christmas, in whatever form that may be, and a peaceful New Year. Let us all hope that 2021 brings more certainty and calm than this year has.

*Kevin Riley*  
Interim Head of School

## **Cleeve Prior NWR**

Our group only managed two meetings this year before our lives were disrupted. Our last meeting was in February – when we learned some of the skills involved in origami and paper flower making.

The meeting we always look forward to is the November one which takes the form of a Telephone Quiz Trail, organised nationwide by NWR HQ. This involves starting off with a clue from the NWR Website and one clue sent to us by the organisers. When we work out that answer, we telephone a clue holder on our list, give the answer then get another clue. This goes on until we have found answers to all the clues.

The group really wanted to take part and, after some deliberation, we decided to set up a Zoom meeting – thank you CPPC and Sean – with some members standing by as our “phone a friend”. Our meeting came to an abrupt halt with power cuts blanking our screens and knocking out our telephones. However, we managed to answer all the clues correctly and had an excellent evening. If we win, we will have to set the quiz for next year!

There is always a theme to the quiz, and this year we soon worked out that the clues were cake-related and this made things a bit easier. Here are two of the clues – see how you do:

*Endless dilemma for motorists?*

*Common money with Hazel?*

## **News from Field Barn**

This year, 2020, has been a strange one for all of us. We started with such positivity with the wonderfully energising Caedhli which was a sell-out event and I am sure will be repeated once life returns to some sort of normality.

In March, a little later than tradition would have it, but luckily pre-lockdown, Volunteers enjoyed an evening of Wassailing and a delicious supper cooked by Matt and Sandra Langmead. Again this fun evening is sure to see a repeat when times allow.

From the point of lockdown we had to cancel all our planned social and fundraising events but we did manage to make some cider – which has now been bottled and is ready for consumption. It's a really delicious and refreshing drink and ideal to make mulled cider for Christmas!!!

Although social distancing has presented its challenges, the essential work at the Trust has continued with a few volunteers coming up and working within safety guidelines. Trees have been planted, grass mown, walled garden tended and excitingly the pond dipping platform is almost complete. Meanwhile, in the Sanctuary, Autumn tidying is underway. There is always plenty to keep Volunteers busy and once we have a vaccine we hope to see more of our Volunteers returning and hopefully some new ones! Pruning is a major job in the early part of the year.

If you are interested to learn more about Volunteering, please contact Brian Taylor, on 773075.

Wishing you all a very Happy Christmas.

*Gina Carr.* Trustee

## Farewell to 2020

### A brief pageant of English verse

I won't arise and go now, and go to Innisfree,  
I'll sanitise the doorknob and make a cup of tea.  
I won't go down to the sea again; I won't go out at all,  
I'll wander lonely as a cloud from the kitchen to the hall.

There's a green-eyed yellow monster to the north of Katmandu  
But I shan't be seeing him just yet and nor, I think, will you.  
While the dawn comes up like thunder on the road to Mandalay  
I'll make my bit of supper and eat it off a tray.

I shall not speed my bonnie boat across the sea to Skye  
Or take the rolling English road from Birmingham to Rye.  
About the woodland, just right now, I am not free to go  
To see the Keep Out posters or the cherry hung with snow.

And no, I won't be travelling much, within the realms of gold,  
Or get me to Milford Haven. All that's been put on hold.  
Give me your hands, I shan't request, albeit we are friends,  
Nor come within a mile of you, until this trial ends.

*Happy Christmas to all our readers  
and let's look forward to a better 2021*
